

Marrow, bronze eye hero, blessed thing → magic weapon
 Thing came from island of the Nymphs, sex involved.
 Luceros gave us a stroke too. Oak stroke

Hypnos, automated helps, beasts protect the forge
 on the jungle island. Dumb for island.

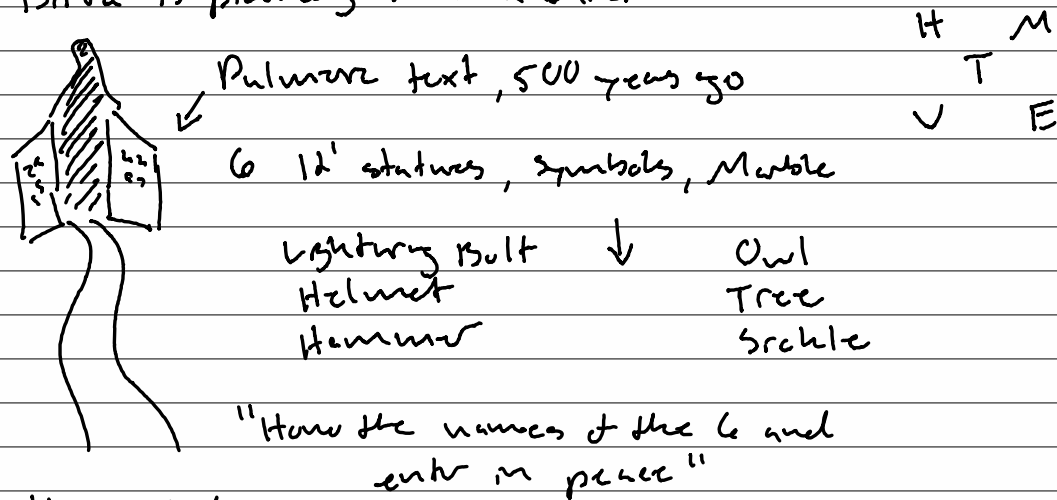

Forge is cold, taken under the ice. No one was
 reworked the forge. Many have died, guards still there

Directly south of Pt Supreme, NE of Smokestack

Hammer, Virgin, Eurpedes, Aurace → Skeletons

Chaser has a sheep! Marrow looks "sheep love"
 Berta is preening to be a thief

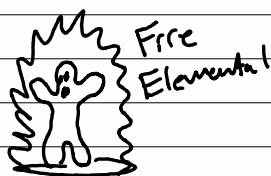

Owlbear Node 0

Great Fresco of a volcano destroying a city, with description in Palumore.

Effect: genre from the realm of fire

H	13
M	13
V	13
E	13

"Fire and war to those who destroy the 6"

Cool volcano mural on the wall / fresco.

Inscription in Palumore. Teach transcribes everything into a notebook.

Palumore, rats, etc has made its way in before.
Ornate oak double doors under brass owl stuff

20' ceilings with columnar bookshelves, full of books and scrolls! Library room.

Maps of the ancient world
Astronomy

Prayers to Zues, Vulcan, Athena, Gra

Moments

Something

} sent to the shops

Monk's cell with secret door. Desk w/ scrolls & stuff

Notes in Palumore

Silver rectangle hammer paperweight. Silver ring

Magnifying glass of Corrupted Languages

"Those who seek wisdom may enter"

Wizard scrolls tons and tons! Ben has the 1st

spectral figure from the chest attacks Teech! It's a
wrath, or something!

"Snoopy Bookworm!"

10 hp drained!

Wrath Librarian of Doom

Athena mural on the wall. Tons of wizard & cleric scrolls

3 cleric scrolls major circle
protection from energy
lesser restoration

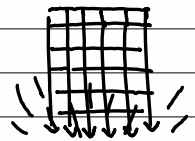

scrolls of Prostragaten, ~~Alaric Illusion~~, Alaric, Knech,
Arcane Lock, Identity, Shield, ~~Locate Object~~
Enlarge/Reduce

Warrior statue w/ Hammer and double bag
a flame trap!

We're attacked by 4 bronze spearmen from alcoves on
the wall with throwing a lever w/ magic hand

The Bronze
Hoplites!

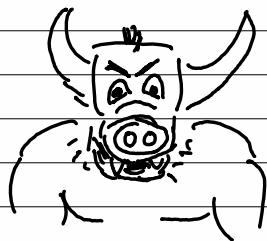

Teech melts a guy with heat metal and 20 dmg!
we take a short rest to regain some health, Teech
took a spear to the chest, which he gave to Horace.

Large room with a sandy floor and bones. The whole room is illuminated by 4 dark glazes. 40' tall, big!

The room slopes down at a 15° angle. Stone dais in the center w/ inscriptions.

3 objects

silver/steel net like a gladiator
trident cruetely wrought
steel whip

6 monotaws come 2 each from each door. They're going for the weapons, which are magical

"Exult Ares the mighty right hand of Zeus, those who shed the most blood can use his weapons"

Chen takes the whip & net
Titus takes the trident

12/18/20

Sounds of a clanging hammer in the night!

3 human skeletons bones + scraps + weapons

Racks of armor, shields, weapons all steel
everything except full plate

3 sets of chainmail for the skeletons AC 17

3 sets of scalemail too AC 14

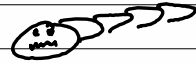

Golden sarcophagus in the next room, and a dead body
Shrine to Zeus!

Mosue compass points north

"Prase to Zens, the North star that rules over all
beneath it"

Tiger speed leopard, tentacles snakes x6 on its back
Kannadan is dead but preserved
with a big shaft in it

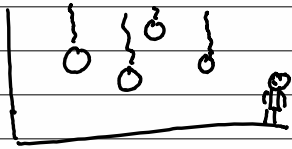

Rock
Grubs!

Rock grubs attack Titans! Cake saves the day with
firebolt and medicine

+1 halberd returned from the Kannadan

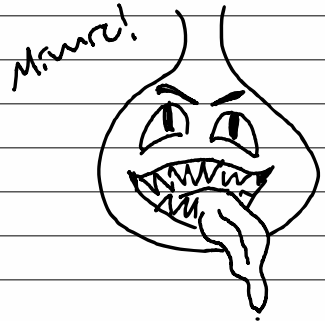

Constellation is the northern night sky

Globe room! Hanging from the ceiling, different colors!

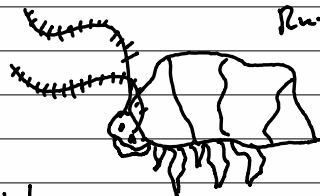

One of the orbs
is a mine!

white
Dark Green
~~Black~~
Swirling storm
Blue
Pulsing Orange
Anchor

Ghost Lantern - maze hand
- dim light 30'
- unconscious stable

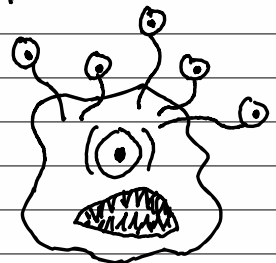

Rust
Monster!

Titus destroyed the red orb
and a rust monster jumps out!

Fewer blue satchel
bag of holding

Chen releases
a zombie...
Beholder!

1000 current gold coins - pp
 Gold ring lightning
 Silver ring hammer
 2 potions healing
 1 potion gaseous form
