1 plunder point goes to the sea elves

Perisval Triton & sea Elves to the south besieged by a strange creature. Maybe we can help.

Princess Elandra Perisval is there, Teach has her soul (?) in a locket

We're going to Meron Town to sell stuff then go down to the sea elves.

Perisval, ancient dimensioned doctor, poems, art etc about farmers folk
More noble house

Have a bronze amulet from Hyperos → Lake

Teach contacts Elandra again to make sure she's where expected and seduced

Chen creates a crazy megalacon wide down

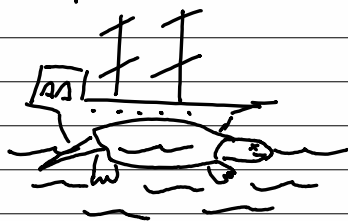

Sorting back to Pt Suphine to sell the megablocks

Make it to the carrying bay, see another ship with a dragon turtle

Get a contract for the waters to process it for us

"The Sundering" huge branch near the Personal Elves, tons of giant sea monsters

Complimentary "purse of holding" 15,000gp capacity

Lucius finds Chase while we're out shopping. Chase tries to bargain him, and totally fails. He's very appreciative. Chase resists dramatic poison.

A chase ensues!

Chase turns invisible and sneaks back to the group at the plaza

Invisible and flying!

We make our way back to the boat at the Loring Bays

Captain Gore is not a human! Maybe dead loose partnership, info for brute force. Lucius will give us info. Knows where a intellect stem is, with the key.

We gave Lucius the staff, his gang to give us info on Cpt Gore, will Mash Zuno, and give us info on The Hug

Lake calls speak w/ the Deed or Mash Zuno

Zuno signed a contract with Gore

Gore is a devil, summons the Green wave
Vault & treasure in Zuno's villa in pt supreme

Band of storm and other things in Oban jungle
protected by dragons and undead

One of them may be in a underwater temple
protected by servants of the gods

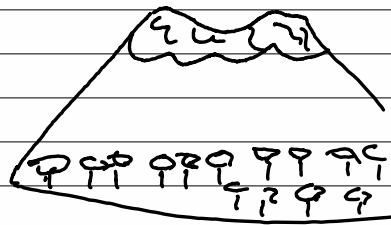

Messenger falcon w/ scroll. Cpt Army tells us to come
to Bitchus Bay for something important.

Next drive, Bitchus Bay & Personal Sea Elves

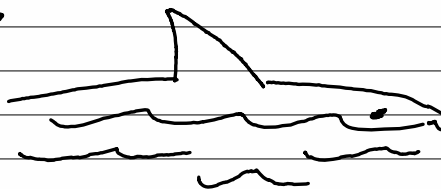

3 days sail to Bitchus Bay, see volcanoes near 1/31
Jungley, misty coastline

Lake does a ritual that tells we'll
be greeted, except for Totus

The Madrashtell fellows use as a giant shark
through the dangerous reefs/shoals

Brithus Bay is a cave,
everyone relay Teach
into the cave.

Quote the place here!

Captain Pox is dead, so his spot is available

There's a Captain's meeting in 2 months, Avery wants
us to take his spot as a high captain then. But
we'll be normal members until then. Nope!

Intelligence network to tell us of prime targets.
Port Supphire is the allowed zone.

Tobias and Longclaw go out at it,
Tobias beats the crap out of him

Avery tells us that "The Hag" is
who cursed him, wants us to kill
her so he can retire. She's north
on the Isle of Iseck!
